WELCOME TO NH HEALTHY FAMILIES

We would like to welcome you to NH Healthy Families. NH Healthy Families provides quality healthcare benefits that are convenient and accessible. Our main priority is making sure you receive high- quality healthcare coverage.

This is your provider directory. The next few pages include information on how to use the directory. Let us know if you need help understanding this. Interpreter services are provided free of charge to you. This includes sign language and real-time oral interpretation. Call our member services line at 1-866-769-3085 (TDD/TTY 1-855-742- 0123).

KNOW YOUR PLAN

As a NH Healthy Families member you may have one of the following types of coverage:

- Standard Medicaid
- Health Protection Program

You can tell which plan you have by looking at your Member ID card. Health Protection Program members' cards will say so on the front of the card. See the picture below:

If the card does not say Health Protection Program; you are a Standard Medicaid member.

All providers listed in this directory are in-network for Health Protection Program members. Some of the providers, listed in the special section called, *Health Protection Program*, are in-network only for Health Protection Program members. Standard Medicaid members may not consider Health Protection Program providers in-network unless they are also listed elsewhere in this directory.

Please note: Except for emergency & family planning, all services must be obtained through plan network providers or pre-approved for out of network providers.

If you have questions, please call NH Healthy Families (NHHF) at 1-866-769-3085, Monday through Wednesday from 8 a.m. to 8 p.m. and Thursday & Friday from 8 a.m. to 5 p.m. TDD/TTY users call 1-855-742-0123. On weekends and on state or federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free. For more information, visit www.NHhealthyfamilies.com.

EASY TO USE

Getting NH Healthy Families benefits is easy. We believe the best way for you to keep good health is to develop a good relationship with your family physician. That is why you, and those in your family who are members of NH Healthy Families, select a NH Healthy Families Primary Care Provider (PCP). When you need care, all you have to do is call your PCP for an appointment. Tell them you are covered by NH Healthy Families. It's that simple.

ACCESSIBILITY

If you use a wheelchair, walker, or other aids and need assistance getting into your doctor's office, call your doctor's office before you get there. This way someone will be ready to help you when you get there. If you would like help talking with your doctor about your special needs, call Member Services.

TRANSPORTATION

If you need help getting to your healthcare provider's office or clinic, call Member Services. The number is at the bottom of every page.

TAKING CARE OF YOU AND YOUR FAMILY

We encourage you and your family to make appointments for regular check-ups. Preventive healthcare benefits with NH Healthy Families include coverage for:

- Diagnostic x-rays.
- Laboratory tests.
- Mammograms.
- Eye exams.

FAMILY PLANNING AND PRENATAL CARE

If you need to access family planning services, you can select the doctor of your choice. They do not have to be in the NH Healthy Families network. Some examples of family planning services are:

- Education and advice from trained personnel to help you make choices.
- Information about birth control.
- Physical exams.
- Follow-up visits.
- Immunization services.
- Pregnancy tests.
- Birth control supplies.
- Tests and treatment of STDs (sexually transmitted diseases).

NH Healthy Families may approve visits with your doctor for up to 90 days after he/she leaves the network. We can do this if you are in active treatment with your doctor. Members in the second or third trimester of pregnancy can keep the same doctor until after the first post-partum visit. Just contact Member Services today to coordinate your care at 1- 866-769-3085 (TDD/TTY 1-855-742-0123).

IF YOU HAVE TO BE HOSPITALIZED

If you need hospitalization, your PCP or a Specialist will admit you to a hospital where he/she is affiliated. The hospitals currently participating with NH Healthy Families are listed in the *Hospitals* section of this directory.

IMMEDIATE AND EMERGENCY CARE

With NH Healthy Families, you have access to medical services 24 hours a day, 365 days a year. In the event of a potentially life threatening emergency, call 911, or go to the nearest emergency room. If you are admitted to the hospital, please call or have someone call NH Healthy Families within 48 hours to notify us of your medical situation. Always let your PCP know if you have been hospitalized for any reason.

Some examples of emergencies are:

- Severe pain of any kind.
- Change in mental status.
- Change in neurological status.
- Complications of pregnancy.
- Chest pain.
- Poisoning.
- Acute allergic reactions.
- Severe shortness of breath.
- Abdominal pain.
- Multiple episodes of vomiting or diarrhea.
- Bleeding that won't stop.
- Injuries that cause loss of function to a body part.
- Symptoms of substance abuse.
- Psychiatric disturbances.
- Overdose of medication.

Accessibility Information

Below is information used in the provider directory to indicate accessibility at a provider office or building site. This information is not a promise that every doctor will always have the access that you may need. If you have a disability, you should call the doctor's office to talk about your access needs.

Accessibility Requirements:

Basic: Facility represents all seven accessibility requirements.

Limited: Facility is missing one or more of the seven accessibility requirements.

Indicator	Definition	Criteria
ASL	Signage (ASL)	Signage with Braille and raised tactile text characters at office, elevator, and restroom doors.
E	Exam room	The entrance to the exam room is accessible, with a clear path. The doors open wide enough to accommodate a wheelchair or scooter and are easy to open. The exam room has enough room for a wheelchair or scooter to turn around.
EB	Exterior building	Curb ramps and other ramps to the building are wide enough for a wheelchair or scooter user. Handrails are provided on both sides of the ramp. Doors open wide enough to let a wheelchair or scooter user enter, and have handles that are easy to use.
IB	Interior building	Doors open wide enough to let a wheelchair or scooter user enter, and have handles that are easy to use. Interior ramps are wide enough and have handrails. Stairs, if present, have handrails. The elevator has easy to hear sounds and Braille buttons within reach. The elevator has enough room for a wheelchair or scooter user to turn around. If there is a platform lift, it can be used without help.
P	Parking	Parking spaces, including van accessible space(s), are accessible. Pathways have curb ramps between the parking lot, office, and at drop-off locations.
R	Restroom	The restroom is accessible and the doors are wide enough to accommodate a wheelchair or scooter and are easy to open. The restroom has enough room for a wheelchair or scooter to turn around and close the door. There are grab bars which allow easy transfer from wheelchair to toilet. The sink is easy to get to and the faucets, soap, and toilet paper are easy to reach and use.
T	Exam table/scale	The exam table moves up and down and the scale is accessible with handrails to assist people with wheelchairs and scooters. The weight scale is able to accommodate a wheelchair.
~	Rx	This pharmacy can provide an extended day supply.
+	New patients	Physician is currently accepting new patients.
#	Existing only	Physician is currently accepting existing patients only.
*	No patients	Physician is currently not accepting patients at this time.
	Bus route	Provider indicated this location is on bus route.

If you have questions, please call NH Healthy Families (NHHF) at 1-866-769-3085, Monday through Wednesday from 8 a.m. to 8 p.m. and Thursday & Friday from 8 a.m. to 5 p.m. TDD/TTY users call 1-855-742-0123.
