

## Access and Availability Survey Seeking your Feedback!

February 24, 2025

NH Healthy Families would love to hear from you! We invite you to take a brief 5–10-minute survey to help us better understand your access and availability, as defined by the NH Department of Health and Human Services. As a token of appreciation, you'll be entered into a raffle for a breakfast or lunch (your choice) for your office (not to exceed \$1,000.).

Your participation will support our efforts to ensure that our members, your patients, are informed about the expectations for providing adequate network capacity, services, geographic coverage, and appointment scheduling, all in accordance with the Access and Availability standards set by the Department of Health and Human Services and found here on our website <https://www.nhhealthyfamilies.com/providers/resources/access-and-availability.html>

Sincerely,

NH Healthy Families
