

Pediatric Tuberculosis (TB): Clinical Review Provider Webinar

On Friday 8/16/24 Health Alert Network sent out a message regarding a [Tuberculosis \(TB\) Exposure at a Childcare Facility in Manchester, NH](#). They received a number of questions and concerns from clinicians related to this situation and would like to support clinicians in responding to the situation by reviewing and clarifying our recommendations.

Please join an ad-hoc healthcare provider webinar this coming **Friday 8/23** beginning at **noontime** where New Hampshire Health Alert Network will provide a clinical review on pediatric TB recommendations. This webinar can be accessed using the information below (please note the link below requires your name and e-mail address to register):
