

Kicks for Kids!

nh healthy families™

Eligible ages: 1 and 2 year olds

How it works:

Take your child at 1 and 2 years of age to complete their lead screening test any time this year and be entered to win a **\$50 Walmart® gift card* to purchase shoes.**

Drawings will be held monthly, a total of 10 Walmart® gift cards* per month.

(Children ages 1 and 2 who have already completed their lead screening test this year have been entered in the next drawing. Winners will be notified by email.)

There's no form to fill out or raffle entry to complete, you will automatically be entered just by taking your child to have their lead screening test.

Remember, with My Health Pays® rewards your child will **earn up to \$25*** just for getting their lead screening test!

*Some restrictions and limitations apply. Each member can earn up to \$250 in cash and non-cash goods and services through June 30 each year.

All NH children need to be tested for lead to help them stay healthy.

- 1.** The first test should be completed around the child's first birthday.
- 2.** The second test should be completed around the child's second birthday.

Toxic lead can be in dust, air, dirt, paint, or toys. **A lead screening test is quick and easy** – it can be completed at a child's wellness visit with their doctor.
